

Hello!

2010 has been a tough year for everyone. But from my experiences at least, we're still producing some wonderful looking and tasting food. I've been out and about shooting images of food producers, their kitchens and their food - from the very posh to the very humble.

Throughout this wonderful journey I've once again been struck by the passion and flair of so many individuals connected with the food industry. It's been a genuine pleasure to work with them - I can only hope that some of their love for what they do is reflected in what you see in this calendar.

Here's to a delicious 2011.

All the best
